Minatomirai Line, Yokohama area tourist sites

A Keikyū Museum

A museum filled with the attractiveness of the Keikyū Group, created with the theme of see, touch, and enjoy "authentic things." It offers various exhibitions and experiences and is perfect for families to enjoy together.

B Yokohama Landmark Tower

A composite facility consisting of offices, hotels, and shopping malls centered on a tower building with a height of 296m. On sunny days, you can see Mt. Fuji from the observation floor.

C Yokohama Red Brick Warehouse

The historical appearance is also recommended as a shooting spot. You can enjoy various exhibits and events, with a satisfying lineup of shops, cafes and restaurants.

D Yamashita Park

A park representing Yokohama. The highlight is the view of the sea and the roses in the flower bed. The rubble in the city was reclaimed and was built as a revival business of the Great Kanto Earthquake (1923).

E Noge Area

Female customers are also rapidly increasing as there are food and drink, including affordable oden, yakitori, and bars. Nogeyama Park and the Zoo are also popular.

F Yokohama Chinatown

A town where the second, third, and fourth generations of overseas Chinese who came to the Yokohama Port in Japan inherit the tradition of food and culture. Other than food, it is also fun to visit shops selling Chinese miscellaneous goods and admire the architectural beauty.

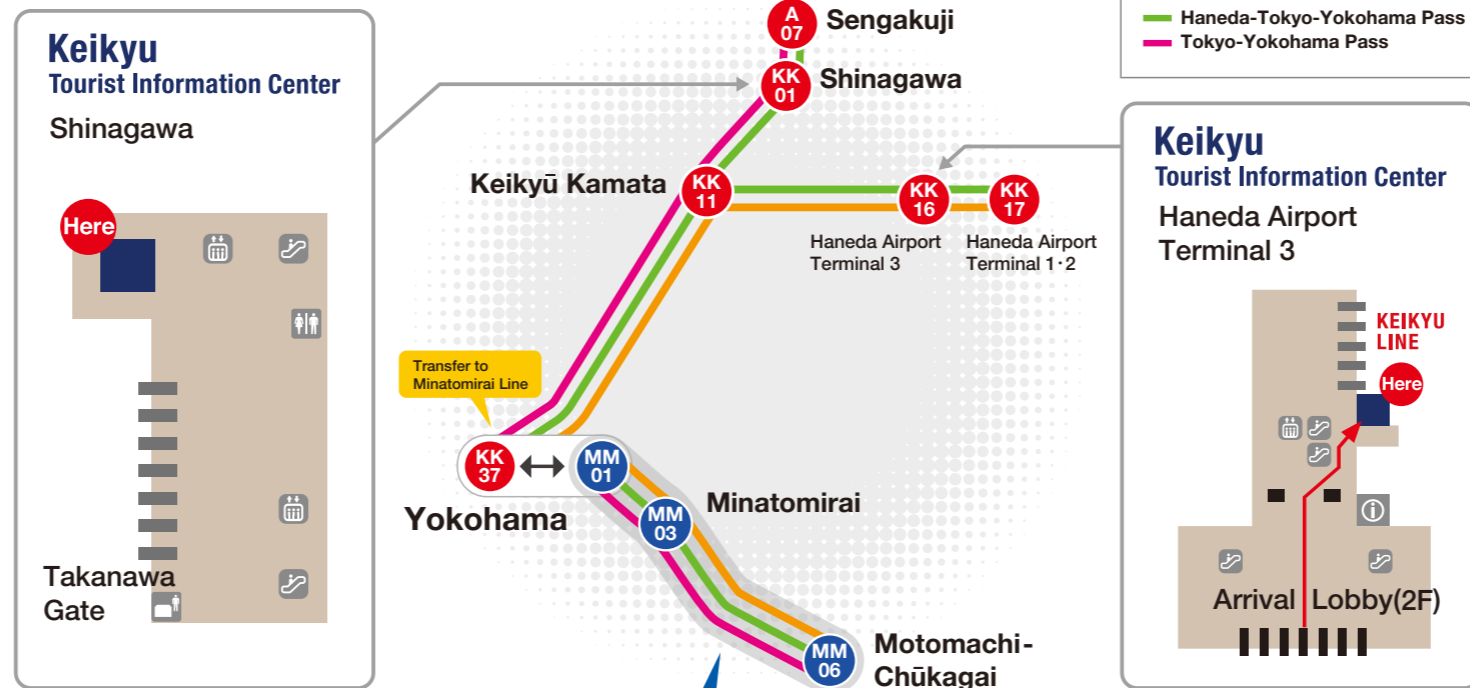

G Motomachi Shopping Street

Cobbled streets that reflect the influence of Western culture are lined with shops full of originality. Why don't you try to give items that you can only buy here?

Available locations to purchase (KEIKYU TIC) and available sections for boarding
